

Mathematical functions of NC-X

arcsin	arcus sinus (degree)	arccos	arcus cosinus (degree)
arctan	arcus tangens (degree)	round	round
floor	rounding to next integer	ceil	round up to next integer
sqrt	Square root	sin	sinus (degree)
cos	cosinus (degree)	tan	tangens (degree)
sqr	to the power of two	log	decade logarithm
exp	exponent with base "e"	abs	absolute value
div	Integral value of a division	mod	remainder of integral division
and	logical AND	or	logical OR
	logical OR	&&	logical AND
==	equal	<=	less than equal
>=	greater than equal	<>	unequal
!=	unequal	**	X
ln	natural logarithm	pi	pi (3,4159....) (constant)
<	less than	>	greater than
+	plus	-	minus
*	multiplied by	/	divided by
